

Multimedia System

*Enjoy your ride to the fullest.
Let the Multimedia System take you
where you want to go... in style and comfort.*

Think of it as a complete entertainment cum navigation system in your car!

Sit back, relax. The superior performance of the Multimedia System is sure to enhance your experience on the road.

A versatile high-performer, this all-in-one Multimedia System is equipped with all the latest gadgets including GPS navigation system, Bluetooth and iPod compatibility, a great companion for people on the go.

Features:

Built In Navigation

Nav Ready

DK Auto's multimedia systems offer integrated GPS navigation capability at the touch of a finger tip. You can conveniently listen to your CD or DVD while having a complete voice-guided trip planned on your GPS indash monitor, leading you quickly and comfortably to your destination.

Built In Bluetooth

Bluetooth Ready

DK Auto's multimedia systems come with advanced Bluetooth technology for all your communication needs. With the Bluetooth wireless system, you can stay connected no matter where you are. This means you can dial and talk through our multimedia systems wherever you please without sacrificing convenience and safety.

SD Card/USB Connector/iPod Compatible

Whether you want to watch movies or just play a few tunes, DK Auto's multimedia systems will meet all your entertainment needs. You can plug in your iPod for convenient operation, slot in your SD card or connect your USB disk. You choose your favourite source.
